BMX race caller Alan Phillips at the Terrigal BMX track.
Picture: GARY GRAHAM

Commentator has worlds at his feet

AN accidental hobby will take Alan Phillips, of Holgate, to Adelaide to commentate at next week's BMX World Championships.

"When I got the call I was just rapt," Phillips said.

"I have been studying the top international riders and can't wait to be calling the best in the world, including all of the Olympic medallists."

Having a family full of talented riders meant that he was dragged along to watch them compete at Terrigal BMX Club, where his wife volunteered him to the club president.

That was 10 years ago and Phillips is still there today after discovering a hidden talent and passion for commentating.

Club president Warren Parkes said that as a commen-

tator Phillips was clear, accurate and knew his stuff.

"He'll do a great job, I think he's one of the best," he said.

While working in aged care at Toukley Retirement Village is Phillips' regular job, he hopes to turn his commentating hobby into a career.

"I've only done BMX commentating but would love to do other sports," he said.

He is master of ceremonies for many other events such as Australia Day and Carols by Candlelight at Speers Point.

He also hosts dance events at Laycock St Theatre. His whole family will join him in Adelaide, not just to support him but as BMX riders as well.

Competitors from more than 20 countries will take part in the Adelaide event from July 23-26.

New coach for cricket sides

GLENN Rowlands has been named coach of the Central Coast open and under-21 Colts cricket sides.

Rowlands, the regional director of coaching and manager of the Central Coast Centre of Excellence, has recruited a high-quality team of assistants to help the region's representative players.

Meanwhile, the NSW Country open championships will again be hosted by the Central Coast at the end of November.

Coast players in curtainraiser

SEVERAL Central Coast players were in the NSW Residents side that lost Wednesday night's State of Origin III curtainraiser to Queensland.

Central Coast Storm's James Maloney scored the Blues' only points in the 34-6 loss to Queensland Residents at Suncorp Stadium. Also in the side were a further three Storm players in Hep Cahill, Brett Anderson and Ryan Tandy, as well as former Central Coast juniors Rhys Pritchard and Chris Trembath.
